DOWN ^{TO} **EARTH**

EVERY STAGE CREATES **COMMUNITY**

We will support cultural activity that brings people together, through performances, exhibitions, festivals and shared creative experiences.

JOY

**DOWN^{TO}
EARTH**

A woman with dark hair tied back, wearing a red dress with a white and black pattern, stands in a lush green forest. She is holding a small, dark-colored animal, possibly a cat or a small dog, in her hands. She is looking down at the animal. Around her, a group of children are sitting on the ground, looking at the animal. There are also two adults sitting behind the children. The forest is dense with trees and foliage. The word "CONNECTION" is written in large, white, distressed capital letters across the bottom of the image.
